

Ready when you are.

M Universal Projector Ceilingmount II

Art No: 7 350 022 730 519

M Universal Projector Ceilingmount II is discreetly designed and all white coloured making it disappear when attached to the projector and mounted to the ceiling. All parts are of highest quality making it

possible to hold projectors up to 10kg, even though it is sleek and discreet and one of the smaller size mounts on the market.
